

30 October 1985

MEMORANDUM FOR: Chief, Contract Information Branch, OL
VIA: Director of Logistics
FROM: STAT
Chief, Procurement Division, OL
SUBJECT: Deactivation of Procurement Division Management
Information System

1. This is to inform you that effective 01 October 1985, Procurement Division no longer has a requirement for the Procurement Division Management Information System (PDMIS). Our requisition status information is now being recorded in Procurement Division's Wang system. All of the negotiators and administrative personnel in the Contract Information Branch, as well as Supply Division personnel, have access to this system for request tracking and contract preparation status data.

2. Please take the necessary steps to deactivate this system.
